

## **6. NEW BRIGHTON ROAD - PEDESTRIAN REFUGE ISLAND**

The Area Engineer reported on a request for the installation of a pedestrian refuge island in New Brighton Road adjacent to the Kate Sheppard Retirement Village. The Board **decided:**

1. That the information be received.
2. That the organiser of the petition be informed of the Board's decision.
3. That the Board give this matter urgency in the Capital Works Plan, and in the meantime request an assessment of potential increases in bus stop usage should a pedestrian refuge island be installed.
4. That the Regional Council be requested to investigate the re-routing of its New Brighton Road bus service through Barkers Road to meet the needs of residents in the Kate Sheppard Retirement Village.
