

4. 1998/99 CITY STREET ROADING PROGRAMME

RR 10129

The Board **received** an update from the City Street Unit on progress for projects in the Board area which are programmed for the 1998/99 financial year.

It was **decided** that a submission be made through the Draft 1999 Council Plan process expressing the Fendalton/Waimairi Community Board's strong opposition to any possible re-allocation of funding for undergrounding in Aikmans Road and any other roads in the Board's area.
