

5. GRANTING RIGHTS TO AIRSPACE OVER PUBLIC ROADS RR 10263

The report by the Environmental Policy and Planning Manager dealt with issues involved in granting rights to airspace over public streets.

The report had been referred to the Committee by the Environment Committee for comment.

The Committee **resolved** that a report be prepared by Council staff as to whether any amendments needed to be made to the City Plan in respect of its objectives, policies, structures, etc, including any Section 32 assessment.
