

**6. RICcarton/WIGRAM WORKS AND TRAFFIC COMMITTEE
REPORT OF 25 JUNE 1999 MEETING**

The Board **received** the report of a Works and Traffic Committee meeting held on 25 June 1999.

**1. CASHMERE ROAD TRAFFIC ISSUES
(VICINITY OF 404-426 CASHMERE ROAD)**

An on-site meeting had been held with local residents to discuss some local issues. These included a retaining wall construction, visibility and speed issues. Also, the intersection of Cashmere Road and Hendersons Road was the subject of inspection.

The Committee has sought comment from City Streets Unit for consideration at the next meeting.

(Two other matters dealt with by the Committee are recorded in Part C of this report.)

The Board **received** the information.
