

9. RESTELL STREET – HAREWOOD ROAD INTERSECTION SAFETY WORKS

The Area Engineer reported, with an update of development improvements to the Restell/Harewood intersection.

The Board **decided:**

1. That any decision on the development of the Restell Street/Harewood Road intersection be deferred until the Northlands Mall service road construction has been finalised.
2. That the Restell Street/Harewood Road intersection be entered into the next Annual Plan capital expenditure programme as a main roads safety project requiring substantial funding.
