

17. RISELAW STREET – NO STOPPING AT SCHOOL ENTRANCE

The Area Engineer reported, seeking approval for the installation of an area of No Stopping at the back entrance to the Shirley Primary School on Riselaw Street. This entrance was seen as a convenient and comparatively safe drop off and pick up area for pupils at the school. The Board **resolved** that the stopping of vehicles be prohibited on the south side of Riselaw Street commencing at a point 11 metres west of the eastern boundary of number 11 Riselaw Street and extending in a westerly direction for a distance of 14 metres.
