

14. STRENGTHENING COMMUNITIES ACTION PLAN

As requested at the 2 June meeting the Community Advocate reported the costs of employing a person to undertake preliminary work associated with the plan. She also advised verbally that a person had been appointed to the position and would be commencing the following week.

The Board **resolved** that up to \$8,000 be provided from the 1998/99 Community Services Fund for the four-month contract for a research person.
