

6. SPREYDON COMMUNITY LIBRARY

RR 10222

The Board considered a report advising it of the services provided from the Spreydon Library and highlights of the 1998/99 year. Sue Sutherland, Libraries Manager, and Hilary Renfree, Area Librarian, spoke to the report.

The Board **received** the report and **decided** to:

1. Advise the Strategy and Resources Committee of its concerns regarding danger to pedestrians (outside the library and playground), and request a solution to address this problem.
2. Request a report from the Area Traffic Engineer.
