

7. GOLF LINKS ROAD PEDESTRIAN REFUGE ISLAND FUNDING

The Area Engineer reported on the Board's request for the City Streets Unit to fund half of the cost of a pedestrian refuge island in Golf Links Road. The City Streets Unit replied that \$7,500 would be allocated from its 1999/2000 Pedestrian Initiatives budget for this work. The Board **decided:**

1. To receive the information.
2. That Norma Hill be informed of the Board's decision.
3. That the City Streets Unit be thanked for its positive response to pedestrian safety.
