

16. SAND DUNES ACTION GROUP

The Community Secretary reported on points outlined by Mr David East, representing the Sand Dunes Action Group, at the 3 May 1999 Board meeting. The Board **decided:**

1. To thank Dave East for his deputation and to send him a copy of the report from the joint Canterbury Regional Council/Christchurch City Council Committee.
2. That the Board not support a review of the Resource Consent for dune profiles along the Christchurch coast, and that it accept the minimum dune height of 8 metres above MHWS as being appropriate for mitigation of coastal hazards.
