

**5. AVONHEAD ROAD – KERB AND CHANNEL RENEWAL**

RR 9993

The Board considered a report on the proposal to provide the south side of Avonhead Road with a concrete kerb and channel from Hawthornden Road to No. 513. The Five Year Capital Works Programme has allowed for the construction in the 1999/2000 financial year.

The information was **received** and the Board decided to endorse the plan for circulation for public comment.
