

**9. YEAR 2000 PROJECT: PROPOSAL FOR A PENGUIN COLONY AT BOULDER BAY**

The Board considered a report which is to be referred to the Environment Committee providing information about a Year 2000 project to set up a breeding colony of white flippered penguins in Boulder Bay.

The Board **decided:**

1. To ask the Environment Committee to investigate the merits of prohibiting domestic canines, felines, and mustelids in the vicinity of the existing and proposed penguin colonies.
2. That the information be received.
