

## **11. FORMER PAPARUA COUNTY COUNCIL SPORTS STADIUM FUND**

This fund had been set up by the former Paparua County Council in 1988 to provide a sport and recreation facility for the Paparua community, to be sited at Hornby High School.

The fund was held in a separate special account under the provisions of the Local Government Reorganisation Order.

Whilst the decision on the future use of the fund was one for the Council, the views of the Community Board would be recognised.

The Board **agreed** to hold over consideration of this until its Finance and Policy Committee meeting to be held on 8 June, when it was preparing a submission to the draft 1999 Annual Plan.
