

5. SKATEBOARDING, IN-LINE SKATING AND FREESTYLE CYCLING STRATEGY

A report jointly written by Leisure, Parks and Recreation Unit staff, advised of work being undertaken to formulate a city-wide strategy for the planning and location of skateboarding, in-line skating and freestyle cycling facilities. Completion of the draft strategy was expected in August 1999 and Board input would be sought at this stage. The Board **received** the information and welcomed the initiative.
