

13. SAM STATUS

RR 10027

The Board was asked to assess whether Special Amenity Area (SAM) status should be sought for Fifield Terrace, from Ford Road at the north boundary, to the dead end at the south.

The Board **resolved**:

1. To seek feedback from residents' groups.
2. That other means of vegetation retention and the effects of site size, be investigated, and the information be provided to residents' groups.
