

1. SOUTH BRIGHTON SCHOOL - PARKING RESTRICTIONS

RR 9300

Officer responsible City Streets Manager	Author Malcolm Taylor, Area Engineer
Corporate Plan Output: Signals, Signs and Shelters 9.5.94	

The purpose of this report is to request Council permission for the installation of parking restrictions outside the South Brighton School on Estuary Road.

The South Brighton School Board of Trustees has expressed its concern at the dropping off and picking up of students outside the school. Estuary Road has a collector road status in the City Plan and carries a daily average of 3,400 vehicles. To overcome this concern a short-term P5 parking restriction is proposed to apply during the hours of 8.00 to 9.00 am and 2.30 to 3.30 pm on Monday to Friday outside the school.

The Acting Principal of the School, Miss Barbara Martin, and the Supervising Parking Officer of the City Council Parking Operations Unit support this parking restriction proposal.

On receiving this report the Board also requested that the Parking Operations Unit rigorously enforce the proposed P5 parking restriction to ensure that it is adhered to by motorists.

- Recommendation:**
1. That the parking of vehicles be restricted to a maximum period of 5 minutes between the hours of 8.00am to 9.00am, and 2.30pm to 3.30pm, Monday to Friday on the western side (generally) of Estuary Road, commencing at a point 124 metres from its intersection with Cradock Street and extending in a southern direction (generally) for a distance of 44 metres.
 2. That rigorous initial education and enforcement of the parking restriction outside South Brighton School be undertaken by the Parking Operations Unit.
