

**18. BURLINGTON STREET -
GASSON STREET TRAFFIC MANAGEMENT**

RR 9410

This report outlined a traffic management scheme to improve the Sparks Road, Frankleigh Street, Milton Street, Huxley Street, Burlington Street and Gasson Street minor arterial link with the city centre. An additional traffic lane is proposed for city bound traffic and cycle lanes from the intersection of Huxley Street through to Moorhouse Avenue. The proposal is now being submitted to residents and business owners for their view before referral back to the City Services Committee.
