

25. PAPANUI TO RICCARTON RAILWAY CYCLEWAY

RR 9400

The Committee was advised that the construction of the first two stages of the railway cycleway project from St James Park in Papanui to Wairakei Road started in the week beginning 22 February. The project has a contract period of 12 weeks, and it should be completed by mid-May. The Committee was asked to consider the form of an opening ceremony.

It was **resolved**:

1. That the opening function for the cycleway be held at a time during the school term.
2. That the opening be by children invited from relevant schools.
3. That the Strowan-Rossall cycle lane project be opened at the same time by this event if practical.
