

6. SUPPLEMENTARY REPORTS

The Chairman referred to the two supplementary reports which had been separately circulated or tabled at the meeting:

- Report by the Property Services Officer on the dedication of road reserve as road - Rempstone Drive.
- Report by the Property Projects Manager on the Beckenham housing development.

The Chairman advised that it had not been possible to circulate these reports with the agenda as they were not available at the time, but it was essential that they be dealt with at the present meeting rather than being deferred to a subsequent meeting.

It was **resolved** that the reports be received and considered at the present meeting.
