

### 13. SISSONS ROAD STOPPING

A report from the City Streets Unit informed the Board of discussions with Northlands Retail Precinct Ltd representatives regarding the construction of a link road between Sawyers Arms Road and Langdons Road, and to gain approval in principle for the associated stopping of Sissons Road. This report was referred to the City Services Committee for recommendation.

The Board **decided**:

1. To agree in principle to the stopping of Sissons Road using Section 116 of the Public Works Act.
2. That a meeting be held with new Board members and the parties involved in the development.
