

## 12. CRACROFT COMMUNITY CENTRE GROUNDS MAINTENANCE

The Board had previously considered a request from the Cracroft Community Centre for \$1,000 for grounds maintenance. Mr Norman Roberts, President of the Cracroft Community Centre, provided background information regarding the lease and advised that the Board's contribution would assist in paying for:

- Plants
- Maintenance of the automatic sprinkler system
- Timber purchased for landscaping
- Additional labour hired during the Christmas period.

The Board congratulated Mr Roberts for the work undertaken by the volunteers.

The Board **resolved**:

1. To allocate \$1,000 from its 1998/99 Discretionary Fund for the supply of plants and materials to be used by volunteers maintaining the grounds at Cracroft Community Centre.
2. To refer this matter to relevant Council officers to ensure that responsibility for maintenance of the exterior and the grounds is reviewed in conjunction with renewal of the lease of the Cracroft Community Centre.
