

16. THOMSON PARK - REMOVAL OF CONIFERS AND REPLACEMENT PLANTING

The Area Parks Officer was in attendance to update members on recent developments on the removal of conifers and the replacement planting of trees at Thomson Park. He also requested Board endorsement for the revised consultation process. The Board **decided:**

1. That the public consultation process as outlined in the report be endorsed.
2. To request the Parks Unit to undertake the consultation, and inform it of the results.
