

**8. CANTERBURY REGIONAL COUNCIL - PARTICIPATION WITH
CANTERBURY WASTE SUBCOMMITTEE**

RR 9489

Councillor Judy Waters, Canterbury Regional Council, at the meeting on 16 March 1999, confirmed the Canterbury Regional Council's request for formal representation on the Subcommittee. The Christchurch City Council Legal Services Manager was requested to report on the implications and all options by which the Canterbury Regional Council may participate or contribute to discussions on hazardous waste. The Subcommittee's request was referred to Buddle Findlay and the reply which extensively canvassed the issues was referred to the Subcommittee.

It was **resolved**:

1. That the Canterbury Waste Subcommittee and the Canterbury Regional Council establish a joint working party to develop integrated hazardous waste management strategies, supported by the existing Hazardous Waste Staff Group.
2. That the working party membership be two representatives of the Canterbury Regional Council, one member representing northern local authorities, one City Council representative and one representative of southern local authorities.
