

**1. NAME FOR JVCO -
"ENVIRONMENT CANTERBURY LIMITED"**

RR 9821

At its first board meeting on 31 March 1999 the Joint Venture Company chose the name Environment Canterbury Ltd as the name for the company. However at the company meeting on 14 May a submission was received from the Canterbury Regional Council that there may be confusion between the naming of the company and the Regional Council as some regional authorities had been named in a like manner eg Environment Waikato.

The Joint Venture Company will be choosing another name.
