

**10. RESOURCE CONSENT FOR NEW LANDFILL -
SUPPORTING SUBMISSION BY CANTERBURY
TERRITORIAL AUTHORITIES**

RR 9820

A report to the Subcommittee sought approval to engage legal counsel to prepare a supporting submission to the Joint Venture Company's resource consent application. It is anticipated that application for resource consent for a suitable site for a new landfill will be submitted during the year 2000.

It was **resolved**:

1. That an agreed legal firm in due course be briefed by the Christchurch City Council Waste Manager to prepare a submission for the resource consent application for Environment Canterbury Limited in liaison with the General Manager of Canterbury Waste Services Limited.
2. That the legal costs for this work including the attendance at later hearings be limited to \$30,000 unless approved otherwise by the Subcommittee.
