

**12. THE NATURAL STEP:  
A NEW FRAMEWORK FOR OLD IDEAS**

RR 9830

The Solid Waste Engineer, Eric Park, reported on key learning points from his attendance at the Natural Step Workshop in Portland, Oregon, on 13-18 April 1999. The report was submitted to the Environment Committee also.

The Committee **decided** to hold a combined seminar for the City Services and the Environment Committees to be held on 15 July to discuss the application of the Natural Step framework in Christchurch.
