

11. CROSBIE PARK – TRAINING LIGHTS

RR 9730

The Area Parks Officer reported on the application made by the Riccarton Leagues Club to erect additional training lights on Crosbie Park.

Details of the Club's proposal were explained and it was indicated that resource and building consents would be required.

It was indicated that the Parks Unit supported the Club's proposal and that along with appropriate conditions, it was intended that the Parks Manager would be approving the Club's application.

The Board **received** the information and further **decided** that the Parks Unit be asked to undertake a letterbox drop to inform the local residents of the Club's application.
