

15. BEVERIDGE STREET RESIDENTS' PARKING AREA

The Board considered a report seeking approval to extend an existing residents' parking area to make provision for two additional vehicles.

The Board **resolved** that a parking space for a resident's car only be created on the south side of Beveridge Street commencing at a point 110 metres measured in a westerly direction from a point opposite the western kerblines of Durham Street and extending in a westerly direction for a distance of 6 metres.
