

8. BERWICK STREET AND FORFAR STREET ELDERLY PERSONS HOUSING

A report from the Property Services Officer sought support for the Community Services Committee's recommendation to the Council on the proposed acquisition of the property at 103 Forfar Street and the disposal of part of 27 Berwick Street which was now surplus to the Council's requirements. The proposal was to construct a residents' lounge for use by tenants of the Council's Berwick Courts and nearby Forfar Courts housing complexes. The Board **received** the information.
