

9. DEPUTATIONS BY APPOINTMENT

(a) MR SHAUN FAHEY - GREERS ROAD BUS STOP

Mr Shaun Fahey, 240 Greers Road, addressed the Committee requesting that the bus stop which had been recently positioned outside 242 Greers Road be removed. Mr Fahey had previously addressed the Fendalton/Waimairi Community Board and sought a review of the decision by the City Services Committee. He advised that during the consultation process he had made it clear he did not want a bus stop installed near his property. He submitted that buses stopping impeded access to his property, rubbish was left by bus users and blew into his property. Bus users entered his property while waiting for a bus and plants had been removed. The Committee noted that the Council has previously considered Mr Fahey's concerns and had resolved to install a bus stop outside no 242 Greers Road. Mr Fahey was advised that his complaint about rubbish outside his property would be attended to.

(b) MRS CHRYS JOHNSON - 405 GREERS ROAD

Mrs Johnson made submissions to the Committee opposing the proposal to install a bus stop at 405/407 Greers Road. The Fendalton/Waimairi Community Board had recommend to the Committee that a bus stop be installed at this location to service the new Orbiter bus route. Mrs Johnson's submission was considered together with clause 4 of the Committee's report to the Council.
