RR 10943

The Community Recreation Adviser informed the Board of the reasons behind the planned withdrawal at the end of this school year of the Kidsfun children's after school programme currently operating at the Bishopdale Primary School.

The Board **decided** as follows.

1. That the Board approve the withdrawal of the Bishopdale Kidsfun programme at the end of Term 4, 1999.
2. That the remaining Board funding presently allocated for the Bishopdale Kidsfun programme (\$2,928) be reallocated to the establishment of the after school programme at Bishopdale Primary School.
3. That when considering Project and Discretionary Funding projects for the 2000/2001 financial year the Board consider allocating a sum of \$8,000 for holiday programmes for the 10-14 year age group in the Fendalton/Waimairi area.
