

19. ROOST HOLIDAY PROGRAMME

The Board considered a report and letter from the Richmond Out of School Time programme (ROOST) seeking funding of \$2,573 to run a short holiday programme.

The Board noted that this programme would be taking place almost on the boundary between the area covered by the Hagley/Ferrymead Community Board and that of the Shirley/Papanui Community Board.

The Board **resolved:**

1. That the Board contribute two-thirds of the amount requested (ie \$1,715) from the Board's 1999/2000 Discretionary Fund to assist the Richmond Out of School Time to run a short holiday programme.
2. That the Shirley/Papanui Community Board be asked to consider making a grant to cover the balance of \$858.00 sought in this request.
