

8. CHRISTMAS TREE LIGHTING

In recent years the Community Board has decorated prominent trees with Christmas lights at the following locations:

- Corner Main South Road and Greenhurst Street
- Rattrays corner on the Shands/Main South Road intersection
- Church Corner
- Westlake, on the traffic island leading into the Christmas lighting on private houses
- Mandeville Reserve

The Board **resolved** to purchase some additional lights and, together with service connection costs associated with the five sites listed, authorised the expenditure of \$4,540 from its 1999/2000 Discretionary Fund.
