

## 10. PROPOSED NEW ROAD AND RIGHTS OF WAY NAMES

A further stage of the residential development of the Wigram Base is proceeding; a name was now sought for the main access road off Springs Road.

A new subdivision, off Milns Road, Halswell, will create ninety-nine residential sections. The subdivision will be served by four new roads and three new rights of way. The applicants have chosen names which have an historical connection with the Halswell area.

The Board **resolved**:

1. That the new access road name be chosen from Sioux, Airspeed, or Phantom (these names are continuing the theme of types of aircraft).

2. That the four new roads be named:

William Britton Avenue  
Edmund Storee Road  
Marsack Crescent  
John Olliver Terrace

3. That the three new rights of way be named:

Lady Nugent Lane  
Alexander Elmslie Lane  
Forgan Lane
