

3. NORTH EAST RURAL COMMUNITIES - COMMUNITY NEEDS ANALYSIS

The Community Development Adviser reported, presenting the results of the community needs analysis for the semi-rural communities in the north-eastern fringe of the city. The contract Researcher, Mary Sparrow, who was in attendance, highlighted the key points of the study, some of the issues and ways that these might be resolved. Some of the benefits and also the drawbacks of living in the semi-rural areas of the city were noted.

The Board **decided**:

1. That Mary Sparrow be thanked for her work.
2. That the report be adopted.
3. That a Working Party of the Board meet to discuss some of the issues.
