

3. DEPUTATIONS BY APPOINTMENT

3.1 Native Plants of Christchurch

Di Lucas of Lucas Associates, spoke in support of an application for funding to assist with the design and production of two booklets - “Native Plant Design Guide for Plains of Christchurch” and “Design Guide for Christchurch Ferns”.

The Board, while strongly supportive of the project, **decided** to support an approach to the Council through the Environmental Committee and Parks and Recreation Committee to fund this project on a metropolitan basis.
