

4. PETITIONS

A petition was received from residents in or near Merrington Crescent, the prayer of which read as follows:

“We, the undersigned, are residents in or near Merrington Crescent.

We are concerned about the speeding traffic in Merrington Crescent and ask that the City Council install speed humps in Merrington Crescent. This is particularly important and urgent because of the number of young children in the street, and because of the playcentre, Te Kohanga Reo, and playground.”

There were 66 signatures to this petition. The Board **decided** to request that the Area Engineer report on the traffic issues raised affecting Merrington Crescent.
