

5. HAZARDOUS WASTE STAFF GROUP UPDATE

This report provided an update on progress in this area. It was noted that since the March meeting of the Committee, the Hazardous Waste Staff Group had met once each month, except for August, and reported to this meeting on:

- The preparation of a draft Regional Hazardous Waste Strategy
- The appointment of alternates for the elected member representatives of the Hazardous Waste Working Party
- The appointment of a Hazardous Waste Reduction Coordinator

It was **resolved**:

1. That the information be received.
2. That members arrange for the appointment of alternates.
