

4. BECKENHAM HOUSING PROJECT

RR 10869

The Property Projects Manager, Angus Smith, updated members of the Committee on the Beckenham Housing Project, and the final contractual arrangements for the joint venture with the Baptist Church to provide accommodation for the marginalised members of the community. The report detailed the arrangements for management of the complex by the Beckenham Community Housing Trust. It is expected that construction on the complex will commence in November with completion in April/May 2000. The Committee **received** the information.
