

28. McCORMACKS BAY ROAD – BUS STOP

The Board considered a further report on the request from residents of McCormacks Bay Road to reposition the bus stop from in front of the property at 112 McCormacks Bay Road.

During a bus tour of inspection on 8 September 1999, Board members had visited the site to look at the position of the terminus stop for the new bus service, the present bus stop position and the proposed bus stop position, as recommended by the residents.

The Board **resolved** that the request to relocate the bus stop from outside 112 McCormacks Bay Road be declined.

(Erin Baker and Linda Rutland requested that their votes against this resolution be recorded.)
