

40. NORTH LINWOOD NEIGHBOURHOOD DAY

This matter came to the Board by way of Supplementary Report.

The Chairman explained the reasons why this item was not on the main order paper for the meeting and why the matter could not await the next meeting for consideration.

The Board **resolved** to receive this report and to consider it.

The report was a request from the North Linwood Neighbourhood Watch Group for funding support for an event to be held in Avon Park on Sunday 10 October 1999.

The Board **resolved** to provide a grant of \$300 towards the organising costs of the proposed Neighbourhood Day from the Board's 1999/2000 Discretionary Fund.
