

## **12. ITEMS RECEIVED**

The Committee **received** the following reports:

### **12.1 Bridge 2000 - North Hagley Park**

RR 10803

The Parks Manager updated the Committee on this millennium project which is scheduled for completion October 2000.

### **12.2 Mona Vale Tree Removal**

RR 10802

The Parks Manager reported that a mature copper beech at the front entrance to the Mona Vale Homestead had been in decline for the past two years and as it is apparent that the tree will not recover it will be removed and replaced with suitable plantings.

(Note: The Parks Manager has delegated authority to remove diseased or damaged trees from reserves land.)

### **12.3 “Push Play With Active Christchurch” Partnership and Campaign Launch**

RR 10865

This report informed Councillors about the partnership between five Christchurch agencies involved in promoting the benefits of an active lifestyle and the launch of the Christchurch “Push Play With Active Christchurch” campaign.
