

1. HALSWELL PUBLIC TOILETS

Officer responsible Community Advocate	Author Roger Cave, Community Secretary
Corporate Plan Output: Riccarton/Wigram Community Board Vol 1, 3.1 text 6	

The purpose of this report is to seek Council approval for the removal of the public toilets, sited adjacent to the Halswell Community Library.

Recent discussions with the local residents' association, Property Unit and the Library and Information Unit have led to a request to consider the total removal of the toilets.

The toilets are open 24 hours a day and, as a consequence, have attracted antisocial behaviour, this being of real concern to would-be users and people who are at the library.

The library has good toilet facilities and there are others located within the area (at the Domain, local petrol station etc).

The Board supports the removal of the toilets, subject to:

1. There being no cost on the Sockburn Advocacy Management budget, and
2. Provision for new toilets, to be sited on the frontage of Halswell Domain, being scheduled as a high priority.

Recommendation: That the Council agrees to the demolition and removal of the Halswell public toilets.
