

**8. WATERWAYS AND WETLANDS CAPITAL WORKS
PROGRESS REPORT**

On behalf of the Water Services Unit, Christine Heremaia was in attendance to inform members of the waterway and wetland projects in progress within the Board area.

A total of 15 capital work projects were undertaken/initiated within the Board area during 1998/99, with a total budgeted expenditure in excess of \$1M.

The largest single project is the Kyle Park Soakage Facility, at \$474,000.

The Board **received** the information.
