

33. 'GET WELL BAGS' - REDWOOD LIBRARY

A report from the Suburban Librarian at Redwood sought funding for 'Get Well Bags', a project that was popular at other libraries and was being initiated at Redwood. The Board **resolved** to approve a grant of \$1,800 from 1999/2000 Discretionary Funds to provide ten 'Get Well Bags' for the Redwood Library and that an acknowledgement of the Community Board be attached to the bags.
