

## **24. CLEAN UP THE WORLD CHALLENGE**

The Environmental Promotion Officer reported, with information on the Clean up the World campaign and asking the Board to consider appropriate projects for each of its ward areas for 2000. The Board **decided** that a Working Party meet to identify projects for the Clean up the World campaign that fit within the Board's vision and that this also be addressed on the Board's planning day on 5 November 1999.
