The purpose of this report is to start the legal procedures necessary to stop a portion of unformed legal road alongside the Styx River.

The unformed portion of Unnamed Road between the rear of 955 and 995 Lower Styx Road is shown in the notified City Plan as '*road to be stopped*'. The Council wishes to develop the area as a riverside reserve and walkway. As this portion of legal road is now redundant for road purposes it can therefore be stopped and declared a local purpose reserve (Esplanade) and held in the name of the Council. All the adjoining owners have been approached and have agreed to the proposal. The plan is attached. The land is not formed as road but occupied by the adjoining land owner.

Prior to stopping the following resolution is necessary to initiate the stopping action:

RESOLUTION

Pursuant to the provisions of Sections 319 (h) and 342 of the Local Government Act 1974, the Christchurch City Council hereby resolves to stop that unformed portion of road as shown on the plan and described in the Schedule hereto.

REASON FOR THE ROAD STOPPING

The reason for the road stopping is to implement the designation as shown in the notified City Plan and to hold the land for the purpose for which it is best suited, ie walkway.

PURPOSE TO WHICH THE STOPPED ROAD WILL BE PUT

The portion of road when stopped (Parcels A and I) will be held by the Council pursuant to Section 345 (3) of the Local Government Act 1974 as a Local Purpose Reserve (Esplanade). Parcels B-H are covered with water and are to be declared 'Bed of Styx River'.

The land is situated alongside the Styx River and is to be occupied by the Council for a riverside reserve. The portion of road to be stopped is at the rear of the properties known as 955-995 Lower Styx Road.
