

**18. AWARD WINNING STREETS -
REQUESTS FOR SUPPLEMENTARY FUNDING**

RR 10830

The Board considered a report informing it of the purpose of the street and garden awards scheme, the proposed special street awards for the millennium year, and seeking its support for this, including modest funding towards costs.

The Board **resolved** that:

1. The information be received.
2. The concept of providing in 2000, millennium commemorative signs for the winning street and cul-de-sac in the Board area, together with certificates for each householder of the winning streets be supported.
3. The amount of \$600 from the Board's discretionary fund be allocated to this project.
4. The proposal be referred to appropriate Council staff to confirm the practicalities and techniques for installing the signs.
