

11. DEPUTATIONS BY APPOINTMENT

St Martins Tennis Club

Norman McPherson and others spoke in support of a request for funding for the St Martins Tennis Club to assist with resurfacing four tennis courts. It was suggested that the Board work with the Club to assist in building up Club membership and providing a facility to young people who could not fund their attendance otherwise.

The Board **resolved** that the Assistant Community Development Adviser report back providing further details including a breakdown of the membership and whether there is a need for a scholarship fund/holiday programme in this area.
