

7. SOUTHSHORE SPIT RESERVE DEVELOPMENT PLAN

The Coast Care Co-ordinator reported on a development plan for Southshore Spit and the reclassification of the Southshore Reserve from Recreation to Scenic Reserve. The Board **decided** to recommend to the Parks and Recreation Committee:

1. That the development plan be advertised for public comment.
2. That the legal definition of the Spit Reserve, to enable its classification as Scenic Reserve, be considered as part of 2000/01 budget process.
3. That the Board seek a report from the Legal Services Manager on how to best make representation on ways and means to avoid the need to resurvey land in areas where topography is likely to change.
4. That Coast Care and the local community be congratulated on the development of this plan.
